

Creating your AWS Student Account

1. If you have already created an AWS account with your SMU email, go to step 9.
2. Otherwise, you have to create your AWS account first.

Go to: <https://aws.amazon.com>

3. Click "Create a Free Account"

4. Enter your smu email: <your-id>.smu.edu.sg
Select "I am a new user" and click "Sign in using our secure server"

Sign In or Create an AWS Account

What is your e-mail or mobile number?

E-mail or mobile number:

py.ngoh.2014@smu.edu.sg

☒ **I am a new user.**

☐ **I am a returning user
and my password is:**

Sign in using our secure server

[Forgot your password?](#)

5. Fill up login credentials

Login Credentials

Use the form below to create login credentials that can be used for AWS as well as Amazon.com.

My name is:

My e-mail address is:

Type it again:

note: this is the e-mail address that we will use to contact you about your account

Enter a new password:

Type it again:

6. Enter credit information. Don't worry, we will be getting free credits so you won't have to use your own cash.

Payment Information

Please enter your payment information below. You will be able to try a broad set of AWS products for free via the Free Usage Tier. We will only bill your credit or debit card for usage that is not covered by our Free Usage Tier.

AWS Free Usage Tier	Compute Amazon EC2	Storage Amazon S3	Database Amazon RDS
free for 1 year	750hrs/month*	5GB	750hrs/month*

2. Call in progress

3. Identity verification complete

8. Choose "Basic (Free)"

Support Plan

All customers receive free support. Choosing a paid support plan will allow you to receive one-on-one technical assistance from experienced engineers and access many other support features. Please see below.

Please Select One

☒ **Basic (Free)**
Contact Customer Service for account and billing questions, receive help for resources that don't pass system health checks, and access the AWS Community Forums.

☐ **Developer (\$49/month)**
Get started on AWS - ask technical questions and get a response to your web case within 12 hours during local business hours.

☐ **Business (Starting at \$100/month - [Pricing Example](#)) - Recommended**
24/7/365 real-time assistance by phone and chat, a 1 hour response to web cases, and help with 3rd party software. Access AWS Trusted Advisor to increase performance, fault tolerance, security, and potentially save money. [?](#)

☐ **Enterprise**
15 minute response to web cases, an assigned technical account manager (TAM) who is an expert in your use case, and white-glove case handling that notifies your TAM and the service engineering team of a critical issue.
If you select this option, you will not be charged immediately. We will contact you to discuss your needs and finalize the signup.

15. To retrieve your AWS Account ID, go back to <https://aws.amazon.com> and click "Account Settings". This requires you to be logged in.

16. Your Account ID can be found here

17. You may be required to verify your email address. Look for the verification code at your SMU email account.

Step 3. Verify Email Address

We need to verify the email address you provided in your AWS Educate application before we can process it.

We sent an email address verification message to your mail box at `py.ngoh.2014@smu.edu.sg`. Please check your messages and input the verification code provided in the email.

Please do not close this page until you enter the verification code sent to your email address. If you close this page before entering the verification code, you will need to restart the application process. If you don't receive an email with the verification code in a few minutes, try checking your spam or junk mail folders.

Verification Code

Please click the box below to help assure that a person and not an automated program is submitting this application. If a set of letters is displayed enter them on the line. If you have any difficulty with the letters, you can click the reload icon to get a new set of letters, or click the headphones to hear audio of what to enter.

18. Your application will now be processed! This will take ~1 day.

Thank You!

We have received your application and it is currently under review. You will receive an email once the review is complete.

The AWS Educate Team

19. When your application is approved, you will receive an email notification.

AWS Educate Application Approved   x  

 **AWS Educate Support** support@awseducate.com via sis.smu.edu.sg 3:44 AM (5 hours ago) ☆  

to py.ngoh.2014 

Dear Clarence,

Congratulations!

Your AWS Educate application has been approved. As a member of the AWS Educate program, you will gain access to the benefits listed below:

AWS Promotional Credit

It's our pleasure to issue you an Amazon Web Services (AWS) promotional credit code in the amount listed below.

Credit Amount: \$100.00
Credit Code: PC2NDLAD54G7P7T

AWS Educate Student Collaboration Portal (SCP)

[Click here](#) for access to the Student Collaboration Portal (SCP), the hub for AWS Educate students around the world to learn more about the program, access self-paced labs and AWS certifications, and find AWS content to help with classwork.

Thank you again for participating in AWS Educate and we hope you enjoy the program!

The AWS Educate Team

20. Finally, you need to redeem your credits. You may do so at the “Billing and Cost Management” page.
